**LOKMAN HEKİM UNIVERSITY MEDICAL FACULTY
ENGLISH MEDICAL PROGRAM**

Dear Phase III Students,

We are proud to welcome you as Phase III students in the 2024 – 2025 Academic Year. We also welcome our Phase III students who have just joined the LHU Faculty of Medicine family.

In order for your registrations for the new academic year to become official, you must make your course selections in the **Student Information System (OBS)** between **September 2-8, 2024**.

The Mandatory Courses:

The Mandatory Courses you need to take this year are in the table below and all of them must be selected.

PHASE III MANDATORY COURSES		
Course code	Course Title	Requirement
210300001	NEOPLASIA AND HEMATOPOIETIC SYSTEM DISEASES COURSE BOARD	MUST BE SELECTED.
210300002	CIRCULATORY AND RESPIRATORY SYSTEM DISEASES COURSE BOARD	MUST BE SELECTED.
210300003	GASTROINTESTINAL SYSTEM DISEASES COURSE BOARD	MUST BE SELECTED.
210300004	ENDOCRINE AND UROGENITAL SYSTEM DISEASES COURSE BOARD	MUST BE SELECTED.
210300005	CENTRAL NERVOUS SYSTEM DISEASES COURSE BOARD	MUST BE SELECTED.
210300006	MUSCULOSKELETAL SYSTEM DISEASES COURSE BOARD	MUST BE SELECTED.
210300007	PUBLIC HEALTH/FORENSICS/ETHICS AND CLINICAL SKILLS COURSE BOARD	MUST BE SELECTED.

Elective Courses for the Fall Semester:

The Faculty Elective Courses opened for this year's **Fall Semester** are in the table below. "Communication In Health I" course is a lecture planned to increase the competencies of our foreign students in clinical specialties. "Reproductive Endocrinology" and "Developing Public Health Intervention Program For Health Literacy" courses are planned for our other students. According to the description, you must choose one of these courses. There is a limited quota for each course. If the quota for the course you want to choose is full, you cannot choose that course and you must choose one of the other courses in the table.

PHASE III ELECTIVE COURSES			
Course code	Course Title	Capacity	Requirement
21091021	COMMUNICATION IN HEALTH I	20 Person	ONLY FOREIGN STUDENTS ARE REQUIRED TO CHOOSE THIS COURSE.
21091022	REPRODUCTIVE ENDOCRINOLOGY	15 Person	T.C. CITIZEN STUDENTS ARE REQUIRED TO CHOOSE ONLY ONE COURSE FROM THIS GROUP.
21091099	DEVELOPING PUBLIC HEALTH INTERVENTION PROGRAM FOR HEALTH LITERACY	15 Person	

The new academic year will begin on **Monday, September 9, 2024 at 10:30 in Block A, classroom number 901**. Information about the mandatory courses and elective courses that you must take/drop this academic year will be explained and practiced in the “**Introduction to Course Board Course**” to be held on the same day. **Therefore, it is mandatory for all our students to attend the “Introduction to Course Board Course”**. You can see your course schedule for the week of September 9 – 13, 2024 below.

For all academic matters in the new education year, please contact the **Phase III Coordinator Asist Prof. Elif Hilal Vural, MD** and other coordinatorship members via medphase2coordinatorship@lokmanhekim.edu.tr

For official communications, use your @lokmanhekim.edu.tr email address, and make sure it is active and regularly checked. You are also responsible for being able to access OBS and KEYPS, and having an updated phone number registered in the OBS.

You can find information about our faculty on our website <https://www.lokmanhekim.edu.tr/akademik/fakulteler/tip-fakultesi-turkce>. For detailed information about your educational program, refer to the 2024-2025 **Phase III Training Guide** available under the Education section on the same webpage.

We look forward to starting the new academic year with you and wish you a successful and enjoyable year ahead.

Best regards,

LHU Faculty of Medicine Dean's Office
